SUBJECT: House Post Office and Civil Service
Committee Hearing on Pay Equity
Legislation: 3 April 1984

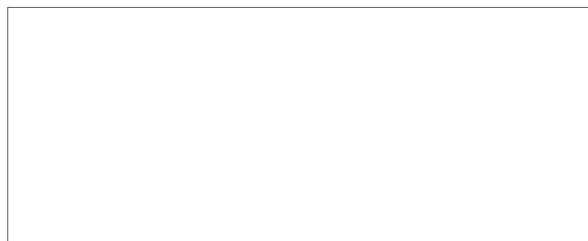

1. Attached for your information and analysis are the agenda and prepared statements of witnesses for yesterday's House Post Office and Civil Service Committee, Subcommittee on Allowances and Employee Benefits hearing. As Ms. Oakar's (D,OH) statement indicates, she is holding hearings on two introduced bills, H.R.4599 and H.R. 5092, both dealing with the subject of pay equity.

2. Ms. Oakar is planning to conduct additional hearings, all but one of them outside of Washington, D.C., over the summer. While it is highly unlikely that either of the introduced bills will succeed to enactment this year, the subject has broad appeal and will positively be reintroduced in the 99th Congress that will convene in January, 1985. I would further expect some version of these bills to be brought to the House floor during 1985 and to succeed there. It is not at all clear to me how the Senate would act on such a bill.

3. This office will continue to follow this issue and report to you accordingly.
